A. Action Items:

1. Discussion and possible action-Personnel matters regarding the Police Dept. and the Town Clerk Dept. Council may vote to enter into executive session pursuant to A.R.S. 38-431.03 (A)(1) for personnel matters

Mayor Riddle opened the meeting with a reminder that the city is responsible to the tax payers for any money that comes into or goes out of the town. The town should be able to answer to any questions the city tax payers have and to be able to ensure the city tax payers that all money spent is to be used to benefit the town. The Town Clerk not only has to answer to the city tax payers but to the Attorney General and the Auditor as well. The Town Clerk is the equivalent of the CFO in as much as needing to answer the how, when and why dollars were or are planned to be spent.

As many items were discussed, the discussion notes are available at the town office.

Vice Mayor Johnson and Councilor Ballard thanked the members of the Town Office as well as the Fredonia Police Department for their service.

Councilor Ballard remarked that he felt that the meetings with the Town Clerk and the Department Heads would ensure better communication and understanding and wanted the meetings scheduled as soon as possible.

Adjourn: Mayor Riddle made a motion at 8:49 pm to adjourn seconded by Councilor Ballard. All in favor.
